

Team Name: sdmay24-03

Team Members:

Andrew Phelps

Cooper Caruso

Kale Kester

Nick Bergan

Owen Henning

Owen Perrin

Report Period: Aug 23 - Sept 17

Summary of Progress in this Period

- Set up a means of communication amongst group members.
 - Held initial meetings with the client and TA.
 - Began the process of acquiring the existing hardware from the previous project iteration.
 - Currently considering ideas regarding the choice of application software to develop for our platform.
-

Pending Issues

- Acquire the previous group's hardware.
 - Decide on specific OS/System software to use.
 - Evaluate the possibilities or necessities for expanding/upgrading the current hardware.
 - Decide, as a group, the application we wish to develop for the platform.
-

Plans for Upcoming Reporting Period

- Research the progress made by the previous team.
 - Begin learning any hard skills we deem necessary.
 - Meet as a group and finalize our decision regarding the application we will develop
 - Finalize the project requirements based on the direction we ultimately decide to take the project.
-
